

thank you for sunshine

help me have courage

thank you for loving me

help me say sorry

thank you for the rainbows

help me to have patience

thank you for my family

help me to be kind

thank you my friends

take away my fears

thank you for chocolate

help me do what is right

thank you for flowers

help me do good in school

thank you for my teachers

remind me to pray

thank you for a comfy bed

help me be a good friend

thank you for Jesus

fill me up with joy

thank you for blue skies
